Mission Statement

By promoting the exchange of information among finance officers of all local governments, Ohio GFOA works to meet the challenges of the ever-evolving profession of government finance and fosters increased cooperation among governments and private financial institutions.

Ohio GFOA was the first organization formed in Ohio with the capacity to act as a conduit for the flow of information among all local governments.

The organization is governed by a board of trustees elected by the membership and composed of three representatives from each of its seven membership categories.
