The Franklin County Auditor's Office is seeking a Fiscal Systems Administrator to join the Fiscal Services team.

**Who are we?**

The Franklin County Auditor's Office is dedicated to serving the community by ensuring fairness and accuracy in weight and measures across the county. Our mission is to protect and empower consumers, making sure they receive what they rightfully pay for at gas pumps and retail store scanners. As a trusted steward of county finances, we strive to promote fiscal responsibility and innovative initiatives that benefit all residents of Franklin County.

In addition to these important responsibilities, we assess property values to determine fair property taxes, while also working to provide tax relief for senior and citizens who are disabled. We understand the importance of supporting vulnerable populations and strive to make the process as accessible and accommodating as possible.

We are committed to upholding state regulations by ensuring that our furry friends are licensed. As required by state law, we proudly license dogs, recognizing the significance of responsible pet ownership within our community.

At the Franklin County Auditor's Office, we value the diversity of our residents and businesses and strive to create an environment of fairness, inclusivity, and equity in all our endeavors.

**What will you do?**

Provides oversight and administration of the UKG Time and HR system. Manages and applies all updates, upgrades, patches, and bug-fixes required and/or recommended by the vendor. Disseminates release notes to functional experts for testing and training, documents internal process for security administration, and monitoring system performance.

Oversees Parent level security access and works closely with admin users at each agency to assist in implementation, global configuration, and general troubleshooting.

Work with county users of Time and HRIS system to train, research, develop and deploy system enhancements. Works closely with Auditor's office payroll team, and other fiscal systems team members to coordinate changes and enhancements that require ERP integration; serves as the lead communicator for all HRIS related matters.

Coordinates closely with County Agencies using the system(s) to ensure functional requirements are being met. Compiles and prepares ad-hoc reports; reviews monthly activity reports; creates and processes data imports and exports as required.

Works with agencies to facilitate the implementation of the Time and HRIS system, resolves issues, escalates/tracks all trouble tickets with the vendor.

Monitors internal controls, audit trail integrity and ensures the configurations retain desired controls and access levels of users.

May serve as a back-up to the Senior Fiscal Systems Administrator.

Provides general user support and develops policies and procedures to govern the county's HRIS system. Coordinates system maintenance; coordinates support from the software vendor; maintains log of internal problems, issues, and requests involving HRIS system.

### **Who should apply?**

We encourage individuals with a bachelor's degree from an accredited college or university in information technology or other related field; two (2) or more years of related experience; experience implementing and supporting fiscal or HRIS-related systems; or any combination of training, education, or experience which provides the desired knowledge, skills, and abilities to perform the essential functions of this position.

We believe in the power of diversity and inclusivity, and we want to create an exciting and equitable environment for all. You belong here, and we encourage you to apply today!
