

## DEPUTY TAX DIRECTOR

The City of Brook Park is seeking qualified applicants for the position of Deputy Tax Director to oversee the collection of the City's income tax revenues. This position reports to the Finance/Tax Director and will be responsible for the collection and administration of the City's local income tax, auditing income tax returns, tax office supervision, and the enforcement of the City tax code. Minimum qualifications include a college degree in accounting, business management, or finance. The successful candidate will have five (5) or more years of experience in municipal tax and personnel supervision. Candidate should be proficient in accounting and auditing skills in addition to collection techniques. Verbal and written communication skills a must. The City of Brook Park is an Equal Opportunity Employer.
