

DIRECTOR OF FINANCE

The City of Painesville, OH (pop. 20,360) invites public finance professionals to fill the position of Director of Finance. The Director of Finance shall be the head of the Department of Finance and is the fiscal officer for the City of Painesville. This position is integral to the development of Painesville and works closely with the City Manager to prepare the budget and long-term capital plan using a strategic approach. The position is responsible for the overall financial operation of the City including financial planning, general accounting, budgeting, investing, purchasing, income tax administration, utility billing and collections, long-range capital planning, and financial reporting. Candidates should be team oriented with prior supervisory experience. Supervision is exercised over both the finance and utility billing divisions with a total staff of 16 FT and 1 PT employee. Must have a minimum of an undergraduate degree from an accredited college or University in either accounting or finance or equivalent combination of accounting experience and training. Includes some evening work. Salary range from \$82,485 up to \$111,145 (DOQ), plus excellent benefits. Position open until filled. EOE.
